Our Industry Partners

Our Industry Partners

TP & Lufthansa Technical Training (LTT)

- Landmark cooperation agreement was signed in 2007
- Approximately 1,600 students have trained at the TP-LTT Centre
- Practical training that meets Air Worthiness Requirements standards set by the Civil Aviation Authority of Singapore (CAAS)
- SAR-147 AMTO training shortens subsequent professional Aircraft Maintenance Licence (AML) apprenticeship by up to 10 months
- Training in areas such as composite materials, fuselage, avionics and engine control & instrumentations

Our Industry Partners

Culinary Institute Of America (CIA)

- Training and mentoring by world-renowned CIA faculty
- Students are equipped with the best culinary skills that meet the demands of today's industry
- TP is a proud six-time *Culinary Institution of the Year* winner at the *World Gourmet Summit Awards* which recognise expertise in the culinary arts
- TP Culinary instructor, Aloysius Tay, was part of the SG national team that clinched two gold and came in fourth out of 15 at *Expogast Culinary World Cup 2022* in Luxembourg. Aloysius was also awarded a gold medal in the *Global Chefs Challenge 2024*.

Getting Real With Internships

HTM students fulfilling their dreams as part of the TP-Singapore Airlines Polytechnic Advanced Recruitment Scheme

tp Temasek Polytechnic •
6 February • ...

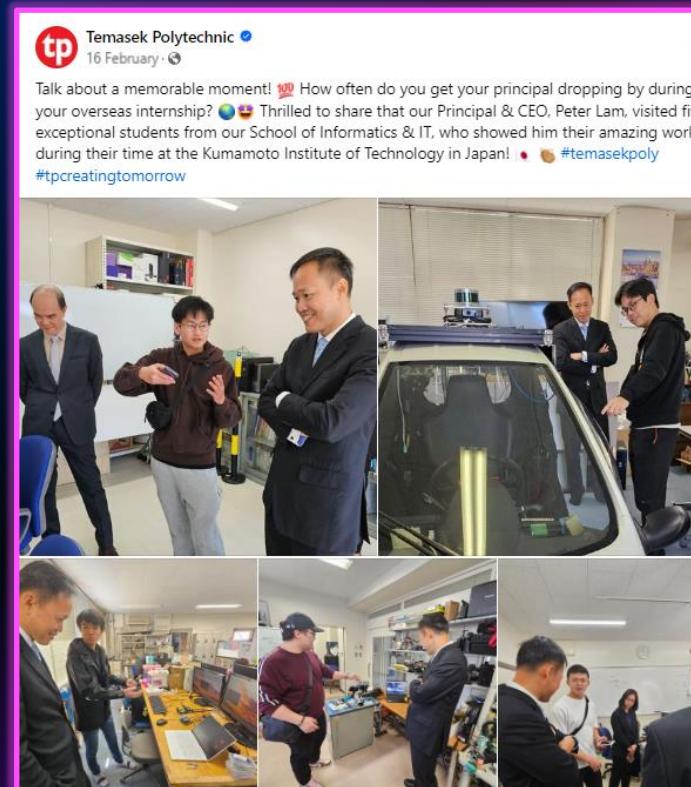

Meet the fantastic fliers of our Diploma in Hospitality & Tourism Management course currently soaring through their Temasek Polytechnic (TP) internship, and gaining first-hand experience of the skies with Singapore Airlines! Our #TPFam is part of the TP-Singapore Airlines Polytechnic Advanced Recruitment Scheme, which offers students a chance to secure a role as a cabin crew upon completion of their internship!

"Being selected for the Singapore Airlines Polytechnic Advanced Recruitment Scheme as a cabin crew is a dream come true as it gives me a unique edge and confidence as I complete my polytechnic education. I'm thrilled about the journey ahead and grateful for this early start to my future career!" shared Sofia Kallysta (2nd from right in the photo).

Shoutout to all TP HTM students (and prospective students 😊), applications for the recruitment scheme opens every March during semester 3.1, so keep your eyes peeled! ✈️

OVERSEAS LEARNING
OPPORTUNITIES IN 2024

Going Global

Our global exposure strategy at TP is guided by MOE's directives of "70-70" overseas exposure target for students in the Institutions of Higher Learning (IHLs), especially ASEAN, China and India.

TP has a few key overseas opportunities for our students such as **Global Studies Overseas Study Trips (GSOST)**, **Overseas Student Internship Programme (OSIP)**, diploma-specific study trips, overseas leadership programmes, sports and adventure learning trips and community projects. We are also a proud UNEVOC Network Member with support from MCCY (UNESCO Focal Point) and MOE.
